

2010 Milestone Systems Advanced Certification Invitation

The Milestone Systems Advanced Certification Training and Certification is a 3 day course that covers XProtect Enterprise, XProtect Corporate and XProtect Analytics (including License Plate Recognition). This certification class satisfies the Milestone Advanced Certification requirement for channel partners who wish to resell XPE, XPCO and XPA. Milestone will help reimburse integrators for this training/certification expense *by issuing a fully resalable software package (after passing the certification exam)*. Details of the software packages are listed below:

- **US-\$ 2,995 per attendee** (SKU Code: CETXPECOXPA) : includes Advanced Certification with your choice of one of the following packages:

XProtect Enterprise Package	Retail Value of software: Approx. \$ 4500.00
1- XPE Base license	
8- Dlk Camera licenses	

XProtect Corporate Package
1- XPCO Base license
4- Dlk Camera licenses

- In addition to your choice of XPE or XPCO package, participants will also receive:

XProtect Analytics Package
1- XPA Base license
2- Camera Feed licenses
1- LPR demo version (not for resale) to use for demo purposes with clients.

- **US-\$ 1,995 per attendee** (SKU Code: CETXPECOWO) : Advanced Certification, with **NO SOFTWARE PACKAGE**

The Open Platform Company

This software offer will enable Milestone channel partners to help recover expenses for participating in the Milestone Advanced Certification Classes.

All attendees must prepay through their distributor or directly to Milestone and submit a signed Registration Form to Connex International prior to the certification class.

Please contact Mauro Zampa at +(952) 746-5238 or +(952) 239-8684 mobile or by email: mzampa@connex-i.com if you have any questions and for more details.
